## About A.D.A.P.T.

A.D.A.P.T. is the Atherton Disaster and Preparedness Team. Founded in 1999, our free programs include:

**Training:** Education on essential topics such as household safety and disaster response

**Community Building:** Monthly meetings that bring together the community, A.D.A.P.T., and town Police

**Volunteer Support:** A network of trained area leaders with representatives in each neighborhood

**Resource Sharing:** Preparedness info in easy-to-use formats like checklists and seasonal reminders

**Emergency Drills:** Simulated events that allow residents to learn real-world disaster skills
